SYNERGY

BESPOKE
STAIRLIFTS LTD.

The **Bespoke straight stairlift** simple in its operation yet detailed in design.

The Synergy's compact design has a host of hidden features allowing you to reclaim your independence at home.

Negotiating the stairs shouldn't stop you enjoying your home. The Synergy is a simple to use stairlift that can transform your day to day life.

ONE OF THE **WORLD'S** **SLIMMEST** RAILS

The straight rail is made of aluminium giving the best ride possible without obtruding the staircase.

The legs fit to the stair treads and not the wall preventing any unsightly cracks or damage.

further information.

ROOM FOR OTHER USERS

The Synergy leaves space on the stairs for other users.

The chair and footrest folds neatly against the wall allowing other stair users easy access.

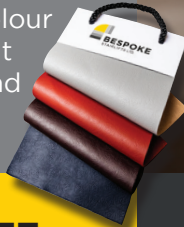

ADDED SECURITY

Two keys are included for locking the stairlift in an off position preventing unwanted operation by children, young and old.

SEAT COLOUR OPTIONS

Bespoke offer alternative colour options to suit your home and its décor.

PADDED SEAT

The padded seat and backrest are made from high quality machine-stitched vinyl giving the user added comfort.

REMOTE CONTROLS

Ergonomically designed and easy to use, two remote controls are provided allowing the Synergy to travel up or down the staircase when not in use.

SAFE & SECURE

A simple and fully adjustable seat belt gives you added peace of mind and security.

1

ERGONOMIC CONTROLS

Ergonomically designed control switch provides complete comfort for users with dexterity issues.

2

SWIVEL SEAT

A gentle turn of the seat handle allows the user to swivel the seat to get on, and off, the landing safely.

3

POWER SWITCH

An easy flick of the switch allows the stairlift to be powered on or off.

4

CLEVER DISPLAY

Simple and clear digital display to identify status of the stairlift.

5

REMOVABLE COVERS

The premium quality vinyl seat covers are removable for a deeper clean and better hygiene.

6

HANDY OPTION

Left and right handed control options available assists with usability and dexterity issues.

7

FOLD AWAY

Easy to fold away allowing room for other staircase users.

8

SAFETY SENSORS

Stops the Synergy from moving if an obstacle is in its way.

WHY CHOOSE BESPOKE?

Follow
Bespoke Stairlifts

We continue to manufacture and distribute a range of straight and curved stairlifts both in the UK and to our partners across the world.

Using custom design and precision engineering techniques that offer tailor-made solutions for our customers and the end-user.

Listening to the challenges of our customers we ensure to provide a fast and reliable service with safety and quality always at the forefront of everything we do.

“ *The build and ride quality of the Synergy is outstanding and allows me to use my bedroom again. I don't know why I didn't get one sooner.* ”

Mrs Marston North Yorkshire
